

# Heart Of The Devil

Danzig

I have heart of the Devil  
I have heart of the Devil  
I have heart of the Devil  
I have heart of the Devil  
I can make a man freeze in his tracks  
I can make a man fall to his death  
I can make a girl so eager to please  
I can make a young girl lay down for me  
Because I'm evil, oh, and love is gone  
I can make the sky thunder and shake  
I can make the world tremble and quake, yeah  
I can make your pulse pound in your veins, yeah

I can make your heart stop and start again  
Because I'm evil, oh, and love is gone  
Because I'm evil, yeah  
Because I'm evil, yeah, love is gone  
I can make the world tremble and shake  
I can make the sky black in my wake, yeah  
I can make a girl so eager to please, yeah  
I can make a young girl lay down for me  
Because I'm evil and love is gone, my love is gone  
Because I'm evil, oh, love is gone, my love is gone, oh  
Yeah, oh yeah
