

# I'll Keep Holding On

**Kim Burrell**

I keep holding on  
I'll keep holding on Time is filled with swift transition  
Naught of earth unmoved can stand  
Build your hopes on things eternal  
Hold to God's unchanging hand Just keep holding on  
Just keep holding on Trust in Him who will not leave you  
Whatsoever years may bring  
If by earthly friends forsaken  
Still more closely to Him I cling Hold to His hand  
God's unchanging hand  
Hold, hold, hold on Hold to His hand  
God's unchanging hand  
Hold, hold, hold on Hold to His hand  
God's unchanging hand  
Hold, hold, hold on Hold to His hand  
God's unchanging hand  
Hold, hold, hold on Hold, hold, hold, hold  
Get a real good grip  
Get a real good grip  
Get a real good grip  
Get a real good grip No no no no, no no no no  
No no no no, no no no no  
Hold, get a real good grip  
No no no no Hold to His hand  
God's unchanging hand  
Hold hold, hold on
