Happy To Hang Around

Travis

They were following me
They were following everyone
And they had visions of me
Holding hands walking in to the sun?Now people get down
People get down, people get hurt
When you did it to me
I was already in the groundAnd then I'll never get into your heart
Though I don't even want to start
I'll never get into your heart
I'm just happy to hang around
Happy to hang around
Happy to hang aroundTake a picture of me
Show it to everyone
And no more pictures of you
No more love, no more setting sunNow people get down
People get down, people get hurt
And when you did it to me
I was already in the dirtAnd then I'll never get into your heart
Though I don't even want to start
I'll never get into your heart
I'm just happy to hang around
Happy to hang around
Happy to hang aroundAnd I'll never get into your heart
Though I don't even want to start
I'll never get into your heart
I'm just happy to hang around
Happy to hang around
Happy to hang around
