

Forget Me Knots (feat. Dublin Gospel Choir)

Heathers

They told me that when i was younger
Lying leaves you blind and dont leave anyone behind
And all those things that make you stronger
Will have you lying on the floor think you cant take it anymoreIts alright not to feel okayThey told me that
when i get older
That there?ll be less time to prepare and room for someone to compare
And now the ache is getting colder
And i can see it in your face
No wish to settle in this placeIts alright not to feel okayAnd i promise im here when you need me
Some people tell you that you just need to get up and grow up
Forget it forgive what youre hearing
Some people just dont understand what it feels like to fallSo don?t fallThey told me that when I was younger
Lying leaves you blind and dont leave anyone behind
And don?t lose sight of what?s to live for
Because there?s truth in what they say
It?s alright not to feel okayIts alright not to feel okay
