

# For All of My Life

## MYMP

come and lay here beside me  
i'll tell you how i feel  
there's a secret inside me  
i'm ready to reveal

to have you close  
embrace your heart with my love over & over  
these are things that i promise  
my promise to you

\*for all of my life  
you are the one  
i will love you faithfully forever  
all of my life, all of my heart  
you are the one  
i'll give to you my greatest love  
for all of my life, hooh yeah, yeah

let me lay down beside you  
there's something you should know  
i pray that you decide to  
open your heart & let me show  
enchanted worlds of fairy tales  
a wonderland of love  
these are things that i promise  
my promise to you  
(repeat \* til fade)
