East of the Sun

George Shearing

East of the sun and west of the moon
We'll build a dream house of love dear
Near to the sun in the day, near to the moon at night
We'll live in a lovely way dear, living our love in pale moonlightJust you and I
Forever and a day
Love will not die
We'll keep it that wayUp among the stars we'll find
A harmony of life to a lovely tune
East of the sun and west of the moon, yes
East of the sun [Incomprehensible] the moon
