Don't Let Go

Toby Lightman

Am I the one in control?

Ami I the one at the wheel?

Last time I checked, it was my turn

to say how I feel

Cause you're not the one going through with it

and you're not the one who gotta do it

Am I the one at the wheel?

Don't let go

It's always on the tip of my tongue

I won't take another second

Don't lay low

Boy you better keep listening cause

I'm gonna tell you when it's over

but it's not over yet

I can't sit and listen to what you have to say

I'm sick of hearing your voice

I'm sick of going your way

cause you're not the one who's gotta live with it

and you're not the one who's giving in to it

I'm sick of hearing your voice

(Don't let go..)

Don't talk to me like you can't believe

That I don't know what I want when I want it

Don't question me about what I need

I'll fill you in

When I'm ready for it

If you don't let me take my time

Nothing's gonna feel right

I won't forget to tell you when

I'm gonna tell you when it's over

but it's not over yet

Don't let go

It's always on the tip of my tongue

I won't take another second

Won't let go

You'll be the first to know when I'm done

Hate to say but I've just begun

Don't lay low

Boy you better keep listening cause

I'm gonna tell you when it's over

but it's not over yet
