Swagga Like Songz

Trey Songz

They used to neglect him
But his style is perfection
Stay in the VIP Section
I was born wit a blessin
Swagg is my reflection
So u see it when u see me
&& All I gotta do is be me
Who u think it do it like I does it?
Let`s discus it
G's repect him world wide
&& The women wanna fukk him
Who u think I`m is, shit
I could give a fukk, what?
Holdin my nuts suck
No one on the corner gotta swagga like Trey do
Impeccable swagg on every track Trey do
U ain`t gotta ask me why (I) eat the tracks up like apple pie (Yup!)
If u ain`t got swagga can`t learn how to have it
If I could, I`ll give u some && autograph it
&& It ain`t about my outfit
Even though it`s nice shit
I bring it to life trick
Shirt 300 (Fa' Sho')
Shoes 7 (Fa' Sho')
I`m so fly like a pair of sails sailin (Yup!)
I`m so high like 7-5-7 (U Know!)
I`m so 2011
The future
You could be the past
U guys is toliets, smellin like ass
Send a message to the hataz: I jus wanna thank ya
U be helpin em make me greater
Trigga blowin up like a skytell pager
Pretty Boy face like a commercial for a razor
I cut the braids && I tell em get they waves up!
I`m gettin chips so I tell em get they Lays up!
(Tell em watchu gon do)
Kill it, purse it, whole funerals for each one of my verses
(Tell em why you hella koo)

Really that`s worthless

I`m so G like her shoes && her purses
She said she like tha way I work this microphone
Baby, wait till I getcha home
I`ma get that, sho' nuff
Go low, my pole inside her
&& Wen we done u go round && tell ya friends like:
No one on the corner has Swagga like Songz (Nope)
Swagga like Songz, Swagga, Swagga like Songz (Nope)
No one on the corner has Swagga like Songz (Nope)
Swagga like Songz, Swagga, Swagga like Songz (Nope)
No one on the corner has Swagga like Songz (Nope)
Swagga like Songz, Swagga, Swagga like Songz (Nope)
No one on the corner has Swagga like Songz (Nope)
Swagga like Songz, Swagga, Swagga like Songz (Nope)
You READY?

I told y`all nothin was safe
Y`all thought I was playin tho
Shouts out to my nigga

Butta, what`s happenin?
Aye Troy, I`m READY!
I went through Lenox`s yesterday for bout 15 minutes spents about 8 stacks

In my mind like I gotta spare mind
