Living With Scars

Paradise Lost

It's deaths intention
We pass through the certain awaits
Upholding the pleasures at hand
God given traitsLiving with scarsThrough bleak accession
We task through disaster we face
In fear of rejection we stand
God given grace
To live againTaken by the ones we force
Without a solitary reason
It's like solace from the shadeDon't see it any other way
It's deaths inception we must takeWith dark intention
A passing the certain awaits
With holding pleasures
At hand all that gods given drainedLiving with scars
Living with scars
Taken by the ones we force
Without a solitary reason
It's like solace from the shadeWithout a solitary reason
It's like solace from the shade
