Mandy

Jonas Brothers

Mandy used to be that girl
The one that never said a word
But she only sang

S Club 7 in all those boy bandsNow its been a few years It looks like things have changed

Now shes mine and I want to sayMandy always laughs when I act stupid I am unaware that Im a nuisance

With her its never wasted timeMandy always knows exactly what Im

Thinking and shes always on my mind

And Im never gonna let her go

'Cause Mandy always knowsMandy always tells the truth

Even when its hard to do

And she always understands

Even when it dont make senseEven though she is the blonde Im the one that feels so dumbMandy always laughs when I act stupid I am unaware that Im a nuisance

With her its never wasted timeMandy always knows exactly what Im

Thinking and shes always on my mind

And Im never gonna let her go

'Cause Mandy always knowsWhen I have a problem

Im sure that Mandy knows

When Im feeling lonely

Im sure that Mandy knowsWhen everythings crazy

Shes always there for me

And Im sure that she knows

Im never ever gonna let her goMandy always laughs when I act stupid
I am unaware that Im a nuisance

With her its never wasted timeAnd Mandy always knows exactly what Im

Thinking and shes always on my mind

And Im never gonna let her go

'Cause Mandy always knowsMandy always laughs when I act stupid
I am unaware that Im a nuisance

With her its never wasted timeMandy always knows exactly what Im

Thinking and shes always on my mind

And Im never gonna let her go 'Cause Mandy alwaysNever gonna let her go

'Cause Mandy always knows
