

Drop the Pilot

Mandy Moore

I'm right on target
My aim is straight
So you're in love
I say what of it Things can change
There's always changes
And I wanna try
Some rearranging I say
Drop the pilot
Try my balloon
Drop the monkey
Smell my perfume Drop the mahout
I'm the easy rider
Don't use your army
To fight a losing battle Animal, mineral, physical, spiritual
I'm the one you need
I'm the one you need You're kissing cousins
There's no smoke, no flame
If you lose that pilot
I'll come fly your plane If you want solid ground
Come on and try me
Or I can take you so high
That you're never gonna wanna come down I say
Drop the pilot
Try my balloon
Drop the monkey
Smell my perfume Drop the mahout
I'm the easy rider
Don't use your army
To fight a losing battle Animal, mineral, physical, spiritual
I'm the one you need
I'm the one you need I said, animal, mineral, physical, spiritual
I'm the one you need
I'm the one you need
I'm the one you need Drop the pilot
Try my balloon
Drop the monkey
Smell my perfume Drop the mahout
I'm the easy rider
Don't use your army

To fight a losing battle Drop the pilot
Try my balloon
Drop the monkey
Smell my perfume Drop the mahout
I'm the easy rider
Don't use your army
To fight a losing battle Animal, mineral, physical, spiritual
I'm the one you need
I'm the one you need Drop the pilot
Drop the monkey Drop the mahout
Well, I'm the easy rider
Don't use your army
To fight a losing battle Animal, mineral, physical, spiritual
I'm the one you need
I'm the one you need
I'm the one you need
