

# Kingdom Come

Jay-Z

I don't know what what life will be in H.I.P.  
H.O.P. without the boy H.O.V.  
Not only NYC, I'm hip hop's savior  
So after this flow you might owe me a favor When Kingdom come, you ready?  
The king will come, I'm ready  
I'm ready Now everywhere I go, they like Hovi back  
Up out the corner office of cul-de-sac  
Where's Iceberg Slim? He was the coldest cat  
Get your swag back, daddy; where your focus at?  
Got to admit a lil' bit, I was sick of rap  
But despite that the boy is back  
And I'm so evolved, I'm so involved  
I'm showin' growth, I'm so in charge  
I'm CEO and, yeah, goin' God  
I'm so indebted I should of been debted  
Sellin' blow in the park, this is knowin' my heart  
Now I'm so enlightened I might glow in the dark  
I been up in the office you might know him as Clark  
Just when you thought the whole world fell apart, I  
Take off the blazer, loosen up the tie  
Step inside the booth, Superman is alive (I will be) king of New York  
(I will be) New York  
Not only NYC, I'm hip hop's savior  
So after this flow you might owe me a favor  
When Kingdom come, you ready?  
When Kingdom come, uh-huh  
Not only NYC, I'm hip hop's savior  
So after this flow you might owe me a favor I hear 'Hurry up, Hov' when I'm out in the public  
These niggas like that you love it, you be it, you're of it  
You breathe it, we need it, bring it back for the hustlers  
Have you dust off the hammer, dance, can't touch this  
C'mon, playboys, bring your cars back out  
Cause your boy Hov is back, you know them broads coming out  
Got 'em dancin' on the banquet like they from Bankhead  
Fuck crystal so they ask what we drinking  
I thought dudes were marquess rudoque  
So I moved on to dom and crew rose  
And it's much bigger issues in the world I know  
But I first had to take care of the world I know

I'm from the bottom, so I still feel I'm from the bottom  
Underdog before my cake and still couldn't stop him  
Flash Gordon bring my cords and spark the light in the dark  
Peter Parker, Spider-Man, all I do is climb the charts(I will be) king of New York  
(I will be) New York  
Not only NYC, I'm hip hop's savior  
So after this flow you might owe me a favor  
When Kingdom come, you ready?  
When Kingdom come, uh-huh  
Not only NYC, I'm hip hop's savior  
So after this flow you might owe me a favor Just when they thought it was all over  
I put the whole world on my back in broad shoulders the ball hover  
Who you know took over tracks like that?  
Guess what, New York, New York we back  
And I ain't never been afraid of a drought  
Since I was 6 17 they gettin' money down south  
'Bout it, 'bout it Master P  
Ask the nigga Pimp C, ask my homie Bun B  
I run the streets, the streets don't run we  
Y'all run, we chill, still waters run deep  
I repeat, sing along with me  
I run the streets, the streets don't run we  
Ladies sayin' where you been, Superman  
When niggas spendin' ten million and media on my hands  
The Bruce Wayne of the game have no fear  
When you need me just throw your Roc signs in the air, yeah(I will be) king of New York  
(I will be) New York  
Not only NYC, I'm hip hop's savior  
So after this flow you might owe me a favor  
When Kingdom come, you ready?  
When Kingdom come, uh-huh  
Not only NYC, I'm hip hop's savior  
So after this flow you might owe me a favor
