

Movin On (feat. Solomina)

Twax

Don't even know where to start it
How to add my feelings to this sound
Though I'm better off without you
It's kinda weird not having you around
Time that we got back to life
Need a healing from inside
I don't want no stupid dating
Thought of it just slowly brings me down
But I'm movin' on baby
Fussing and fighting
I don't wan't it, listen
I'm movin' on lately
Whining and crying
But I'm movin' on
Movin' on
But I'm movin' on
Yeah we had our story
There are memories that I will not forget, yeah
All the things that we've been through
And every breakfast we had shared in our bed
Thought I'd tell you so
But it's time to let it go
Thanks for time we spent together
You and I have nothing to regret
But I'm movin' on baby
Fussing and fighting
I don't wan't it, listen
I'm movin' on lately
As I'm saying goodbye
Tears are filling my eyes
Time will vanish the pain
Know that we'll be fine
And I'm movin' on baby
Fussing and fighting
I don't wan't it, listen
I'm movin' on lately
Whining and crying
I'm just sick of it
I'm movin' on now baby

So I say that you should be movin' on

Just movin' on

Just movin' on

Don't even know where to start it

How to add my feelings to this sound
