Oh I'm gonna see somehow it always seems  
That I'm dreaming of something I could never be.  
Doesn't matter to me 'cause I will always  
Be that pimp I see in all of my fantasies.  
I don't know your fucking name.  
So what let's  
Screaming at me the only way that I  
Can truly be free from my fucked up reality.  
So I dream and stroke it harder 'cause  
It's so fun to see my face staring back at me.  
I don't know your fucking name.  
So what let's fuck. All day I dream about sex.  
All day I dream about fucking.  
All day I dream about fucking.  
All day I dream about sex, yes,  
All day I dream about sex and,  
All day I dream about sex, yes,  
All day I dream about sex.  
All day I dream about sex.  
All day I dream about fucking
