

Happy Go Lucky Truck Driver

Red Simpson

Well, there's not a girl around that can make me settle down

'Cause I'm a happy go lucky truck driver

I'm happy and carefree yeah and that's just how I wanna be

I'm a happy go lucky truck driver Well, I work real hard and I save my mon just to have my fun each day

And that's just how I'm gonna stay

Well, I'm just like a wild wild goose fancy free and I'm foot loose

I'm a happy go lucky truck driver Well, I've never seen a pretty girl yet that I could not forget

I'm a happy go lucky truck driver

I'm a livin' the life for these I'm doin' just what I please

I'm a happy go lucky truck driver Well, I work real hard and I save my mon just to havin' my fun each day

And that's just how I'm gonna stay

Well, I'm just like a wild wild goose fancy free and I'm foot loose

I'm a happy go lucky truck driver
