

# In a Manner of Speaking

## Klein

In a manner of speaking I just want to say  
That I could never forget the way  
You told me everything

By saying nothingIn a manner of speaking I don't understand  
How love in silence becomes reprimand  
But the way that I feel about you

Is beyond wordsOh give me the words, give me the words  
But tell me nothing  
Ooh give me the words, give me the words

That tell me everythingIn a manner of speaking, semantics won't do  
In this life that we live we only make do  
And the way that we feel

Might have to be sacrificedSo in a manner of speaking, I just want to say  
That just like you, I should find a way  
To tell you everything

By saying nothingOh give me the words, give me the words  
But tell me nothing  
Ooh give me the words, give me the words

That tell me everythingOh give me the words, give me the words  
But tell me nothing  
Ooh give me the words, give me the words  
That tell me everything
