

# Day Three: Pain

## Ayreon

[Agony]  
I am pain  
I am real, I'm not a dream  
I'm the chain around your neck as you scream Surrender now  
You can't beat death at his ruthless game  
Make your bow  
Hang your head in shame [Me] I can't believe there is no way out...  
[Agony] You'll find you are wrong  
[Me] You fill me with doubt...  
[Agony] You were never that strong [Agony]  
I am pain  
I am the wound that never heals  
It's all in vain  
No compromise, no deals... [Me] I can't believe this is the end  
[Agony] It's written in stone  
[Me] Where are my friends?  
[Agony] You have always been alone! [Rage]  
(Pain!) We lead  
We hide as the pain leaves the rage inside  
(Motion personified alpha)  
Being here, welcomed by... a sane mind  
A travelled lie [Agony]  
I am pain  
I am the end, I am your wraith  
Nothing remains  
I'm the loss of hope and faith [Me] I can't believe there is no way out...  
[Agony] You'll find you are wrong  
[Me] You fill me with doubt...  
[Agony] You were never that strong [Rage]  
We lead, we hide as the pain leaves the rage inside  
(Motion personified alpha)  
Being here, welcomed by... a sane mind  
A travelled lie  
All the time, I had waited with rage  
All the time, I was promised my salvation [Love]  
I can't accept this, we will find a way  
Out of this cesspool of doom and dismay  
Beyond this dejection there's beauty and grace  
A glorious future we long to embrace [Rage]

(Pain!) All the time, I have waited with rage  
(Motion personified alpha)  
All the time, I was promised my salvation
