Destiny's Child

Oh oh oh oh
Wait a minute
Wait a minute
I think I gotta take some time
And clear my mind
'Cause if I don't
I might screamScream out loud
In a little bit
I'm a tell you
What I'm talking boutLadies (ladies, ladies)
If you know what I mean
When you're in love
And give your everything
(Tired of that happening)
Ooh, this time it's for me
After you've bein' doin' you
I'm gonna do meLet me tell you by singin' it
Instead of tellin' lies
This story specifies
Why I can't deny your love
TrueYou're always here and there
Finally I appear
I'm a keep it real
With youAin't no feelin' like being free
When your mind's made up
And your heart's in the right place
Yeah
Ain't no feelin' like being free
When you done all you could
What was misunderstood
It's all good
Ain't no feelin' like bein' free
I'm like an eagle set free
And finally I'm looking out for me
Ain't no feelin' like being free
'Cause my mind's made up
And my heart's in the right place
YeahHold 'em up, wait a second
I gotta get something off my chest

My happiness with your happiness
I lived in (free)
You and all your needs
Let me speak
It's best I do
What's best for me
Now ladies (ladies, ladies)
I've got my mind back
I've been there
And done that
(No lookin' back, no)
Ooh this time its for me
Either you gonna do you
I'm gonna do me
I'm freeTime, is of the essence
And especially too short
To waste another minute on youWhile, you stare there
Tryna hide
I'm back in here saying bye
Thought you were my dream come trueAin't no feelin' like being free
When your mind's made up
And your heart's in the right place
Yeah
Ain't no feelin' like being free
When you done all you could
What was misunderstood
It's all good
Ain't no feelin' like bein' free
I'm like an eagle set free
And finally I'm looking out for me
Ain't no feelin' like being free
'Cause my mind's made up
And my heart's in the right place
YeahNo, it isn't being left out
You might have forgotten about
Didn't deserve my love
I've had enough
Set me freeAin't no feelin' like being free
When your mind's made up
And your heart's in the right place
Yeah
Ain't no feelin' like being free
When you done all you could
What was misunderstood
It's all good

Ain't no feelin' like bein free
I'm like an eagle set free
And finally I'm looking out for me
Ain't no feelin like being free
'Cause my mind's made up
And my heart's in the right place
Yeah Can I get some lovin'
Can I get some time
Lovin' in the morning
And in the midnight hour I gave you everything of mine
I gave you everything you needed
But you just didn't do right
(No, no)
So baby now I'm leavin
It feels so good to be free
Yeah, yeah
Ooh ooh ha ooh ha
Free
Free
Free
Free Ain't no feelin' like being free
When your mind's made up
And your heart's in the right place
Yeah
Ain't no feelin' like being free
When you done all you could
What was misunderstood
(I cater to my man, now he better cater to me)
It's all good
Ain't no feelin' like bein free
(Take me out some time)
I'm like an eagle set free
And finally I'm looking out for me
Ain't no feelin' like being free
'Cause my mind's made up
(If it's all about you, I'm gonna do me)
And my heart's in the right place
Yeah (I'm free) Yeah I don't want to hear it
No no no no go get up outta here
I don't want to hear it
No no no no go get up outta hear
