

# Don't You Wanna Be High

T.i.

[Chorus]

Hey don't ya wanna be high?  
Hey listen baby come fly with me, take a ride, get high with me.  
I know you wanna be high.  
You never wanna say bye to me, if you ever come fly with me.  
Hey don't ya wanna be high?  
Hey, listen baby, come fly with me, take ride, get high with me.  
I know you wanna be high.  
Promise you'll never say bye to me, if you ever get high with me.

The bucket's on tilt, truck is on stilts  
I did another deal today, at least a couple mil'.  
No I'm askin' you to chill, wanna pat that down I'm tryin to pick you up  
And never put your ass back down.  
Get rid of all your worries, why you draggin' that around?  
Here pop one of these and now pass that around.  
Fire it up, take a shot, now your ass in the clouds.  
Can I bend ya over, throw your ass back down?  
No need sayin' no, we way pass that now.  
I ain't them other niggas, just control the flashback now.  
Make three wishes, you can have that now.  
Fuck the finacin', payin' cash right now.  
Miracle man, make your dreams come true.  
Take a ride, get high, bout time you come too.  
Bet ya life done changed, ya likin' my last name Done  
Had a couple babies, with a Bentley and a Range.  
Crib on the water, eatin' meals on the plane  
And ya life in the sky like you lived on a plane.  
So much good shit to fill ya brain,  
If the band seem strange, I'm just sayin'

[Chorus]

You see me chillin' out, kickin back in the ride,  
With fly broad on the passenger side.  
Got a nice smile and immaculate eyes.  
Fore' she get inside, she don't have to decide.  
Cause she can have it like she want it, we can do it like that.  
And I went and threw it to her and she threw it right back.

She say nobody gave it to her like that, Hit it from the back,  
I figure you would like that.  
Her head and tight pussy good like that  
And damn she ain't even from the hood like that  
So she probably never kicked it with a cool nigga other niggas had her,  
Didn't know what to do with her.  
Intimidated by her face and her cute figure.  
Cause her waist real small and her ass way bigger  
Don't she know that if I want her, I ain't finna play with her.  
All I gotta do is spend a A with her

[Chorus]

Hey what it is, pretty girl,  
Would you like to come and kick it with a nigga for a night or two  
And you can take your clothes off if you like to.  
And it don't matter 'bout the cost if I like you I just do it shorty,  
I ain't gotta try t. Bust a move, bet ya I can set a fire in you.  
Me chase round behind you? Why boo?  
I'm like you, you know you fly, but I'm fly too.  
You know how to do it, always ride good.  
Match the paint with the wheels, the trunk and the hood.  
You dealin' with a real nigga, get it understood.  
I'm still in the hood, even when in Hollywood.  
With my beat down low and my top let back  
You lookin' for a G. well you got just that  
Well I can be a King and you can be my princess Baby all you gotta do is say yes.

[Chorus]
