Femme Fatale

Frogacult

Here she comes
Better watch your step
She's going to break your heart in two, it's true
It's not hard to realize
Just look into those false colored eyes
She'll build you up just to put you down, what a clown
'Cause everybody knows
(She's a femme fatale)
The things she does to please
(She's a femme fatale)
She's just a little tease
(She's a femme fatale)
See the way she walks
Hear the way she talks
You're written in her book
Number thirty-seven take a look
She's going to smile to make you frown, what a clown
Little boy, she's from the street
Before you stop you're already beat
She's going to play you for a fool, yes it's true
'Cause everybody knows
(She's a femme fatale)
The things she does to please
(She's a femme fatale)
She's just a little tease

(She's a femme fatale)
See the way she walks
Hear the way she talks
Yeah, I see that girl, see man
I know where you're coming from
She's all lips and eyes and legs
And man she looks great but you know what
She's gonna mess you up pal
She will try to bring you down
The hardest girl around
'Cause everybody knows
The things she does to please
She's just a little tease

And everybody knows, she's a, she's a
She's a femme fatale
She's a femme fatale
She's a femme fatale
She's a femme fatale, yeah
She's a femme fatale
She's a femme fatale
She's a femme fatale
She's a femme fatale
She's a femme fatale
