

I Can't Make You Love Me

Boyz II Men

I cant make you love me
Turn down the lights, turn down the bed
Turn down these voices inside my head
Lay down with me and tell me no lies
Just hold me close and dont patronize
Dont patronize me
Cause I cant make you love me if you dont
You cant make your heart feel something that it wont
Here in the dark, in these finals hours
I will lay down my heart til I feel the power
But you wont, no you wont
Cause I cant make you love me if you dont
Ill close my eyes then I wont see
The love you dont feel when youre holding me
Morning will come and ill do whats right
Just give me til then to give up this fight
And I will give up this fight
Cause I cant make you love me if you dont
You cant make your heart feel something that it wont
Here in the dark, in these finals hours
I will lay down my heart til I feel the power
But you wont, no you wont
Cause I cant make you love me if you dont
Just let me hold you baby one more time
And maybe tonight I can change your mind
And make you love me like you did before
Leave a feeling in your heart you cant ignore
I feel that baby we can make this right
If you just give me one more night
I feel that were worth it and I think we deserve it
If you feel that we dont have a chance
Then I cant make you love me if you dont
You cant make your heart feel something that it wont
Here in the dark, in these finals hours
I will lay down my heart til I feel the power
But you wont, no you wont
Cause I cant make you love me if you dont
