

# Leaden Legacy

## After Forever

I can't look behind because I'm living in the past  
Tears without emotion are filling up the unbridled hours  
We cannot be  
What you expect from us  
We cannot see through the glasses of despair  
Evade the leaden legacy  
Those who separate and join the opposite  
do not see that that will get them nowhere  
Can't you understand it is a similar manipulation  
Wake up and see the light  
Doomed to wander in repressed emotions  
This imaginary refuge restrains me from awakening  
Fear of penance  
Doomed to sycophancy  
Doomed to sycophancy...
