

I Luv Ur Sneakers

Poly Styrene

The canvas, the color, the rubber toe
No animal died or lost its soul
In the production of
Your beautiful sneakersThe jewels, the bling, the zing, zing, zing
You look so cool with your funky rubber soles
And your purple fanzine
Your beautiful sneakers
Your beautiful sneakersI love ur sneakers
I love ur sneakers
I love ur sneakers
I love it, I love it
I love ur sneakers
I love ur sneakers
I love ur sneakers
I love it, I love it
I love ur sneakersThe glitter, the logo, metallic glow
You even wear them in the snow
And the summer time flies
With your beautiful sneakersThey rock, they pop, even hip hop
You're farmer free with your branded funky pumps
And skinny fit jeans
Your beautiful sneakers
Your beautiful sneakersI love ur sneakers
I love ur sneakers
I love ur sneakers
I love it, I love it
I love ur sneakers
I love ur sneakers
I love ur sneakers
I love it, I love it
I love ur sneakersLove ur sneakers
Rainbow people
Love ur sneakers
Rainbow peopleThe canvas, the color, the rubber toe
No animal died or lost its soul
In the production of
Your beautiful sneakersThe jewels, the bling, the zing, zing, zing
You look so cool with your punky rubber soles
And your purple fanzine

Your beautiful sneakers
Your beautiful sneakers I love ur sneakers
I love ur sneakers
I love ur sneakers
I love it, I love it I love ur sneakers
I love ur sneakers
I love ur sneakers
I love it, I love it I love ur sneakers
I love ur sneakers
I love ur sneakers
I love it, I love it I love ur sneakers
I love ur sneakers
