Tortola

Quito Rymer

Oooo Tortola oh how you blew my mind
Oooo Tortola with your gay sunshine
so I came back to be with you
for a long, long time
I came back to stay with you
for a long, long time

Pack up and I roll
searching for a new home
Now I sit and wonder, leaving you
how could I ever
but the grass always looks greener on the other side
oh me oh my eyes took me for a ride

And ooo Tortola woah how you blew my mind
ooo Tortola with your gay sunshine
So I came back to stay with you for a long long time

Oh what a happy place
when I got back from St. Garden-dale
Snow white sands and blue green sea is good enough for me

Ooo Tortola oh how you blew my mind
ooo Tortola with your gay sunshine
So I came back to stay with you
for a long long time
I came back to be with you
for a long long time
