What Do I Know of Holy

Addison Road

I've made you promises a thousand times
I tried to hear from Heaven
But I talked the whole time
I think I made you too small
I never feared you at all
No

If you touched my face
Would I know you?
Looked into my eyes
Could I behold you?

CHORUS
What do I know of you
Who spoke me into motion?
Where have I even stood
But the shore along your ocean?
Are you fire, are you fury
Are you sacred, are you beautiful?
So what do I know
What do I know of holy?

I guess I thought that I had figured you out
I knew all the stories, and I learned to talk about
How you are mighty to save
But those were only empty words on a page

Then I caught a glimpse
Of who you might be
The slightest hint of you
Brought me down to my knees

CHORUS

What do I know of holy
What do I know of wounds that will heal my shame
And a God who gave life its name
What do I know of holy
Of the one who the angels crave
All creation knows your name

On earth and Heaven above
What do I know of this love

CHORUS

What do I know of holy
Oooh
Oooh
What do I know of holy
