

# 94 Hours (Live@Substage Karlsruhe)

## As I Lay Dying

94 hours of regret  
For me to realize  
What I held  
Unfading beauty  
Not just a face  
I held it's innocence  
Within my heartGo!  
No! I won't let  
Go!  
I wont let go  
I wont let go  
No! I  
I wont let go  
No! I  
I wont let goThe torment of your eyes  
Has awakened my soulThe torment  
Of your eyes  
Has awakened my soulThe pain of a moments time  
Will forever beg your forgiveness  
Forgiveness94 hours  
For me to realize  
I held the unfading beauty  
I am your innocence
