## f3nning

We are the chosen  
We are the few  
We were sent here  
To give guidance to our youth  
We are the future  
We are the face  
So let's come together  
Be as one today  
We did it all for love  
Just so you could feel the love  
Love is a fire  
Love is a flame  
We are sent here  
To be tested once again  
Settle persuasion  
This is the time  
As we come together  
One step out of line  
We did it all for love  
Just so you could feel the love  
We are the chosen  
We are the few  
We were sent here  
To give guidance to our youth  
You are the future  
You are the face  
So let's come together  
Be as one today  
We did it all for love  
Just so you could feel the love  
We did it all for love  
Just so you could feel the love
