The Bible Way

Helen Miller

Oh,there is no other way
But the Bible way
Oh, there is no other way
But the Bible way
You wonâ€™t find no other way
But the Bible way
The only way to the kingdom is the Bible way

Thereâ€™s no other way
But the Bible way
Thereâ€™s no other way
But the Bible way
On no there is no other way
But the Bible way
The only way to the kingdom is the Bible way

Verse
Now Nicodemus came to Jesus that night and said Rabbi is your name
But I just have one question to ask you about this kingdom way
Tell me how can a man be born again when he is already old
Jesus said not born just of water but born of the spirit
Iâ€™m talking about a new born soul
Yeah

There is no other way
But the Bible way
You canâ€™t find no other way
But the Bible way
Oh no there is no other way
But the Bible way
The only way to the kingdom is the Bible way

The bible declares without holiness no man is gonna see the lord
And the road that leads to death and destruction is crowded and itâ€™s wrong
But the way that leads to eternal life is narrow and itâ€™s straight
But if you follow this highway of holiness itâ€™s gonna take you to the pearly gates
Yeah

There is no other way

But the Bible way
You canâ€™t find no other way
But the Bible way
Donâ€™t you know there is no other way
But the Bible way
The only way to the kingdom
The only way to the kingdom
The only way
The only way to the kingdom
The only way to get in the kingdom
The only way to the kingdom
Thereâ€™s only one way
The only way to the kingdom
Oh oh oh oh
The only way to the kingdom is the Bible way

So many ways
seem right
seem right
seem right
all the ways
seem right
of the man
seem right
seem right
seem right
in his own eyes
seem right
seem right
seem right
but it leads
seem right
leads to death
seem right
and it leads
seem right
to destruction
seem right
the ways of man
seem right
and disobedient
seem right
the ways of the world
seem right
Seem right

seem right
seem right...

Oh you got to do it the bible way
The Bible way
You gotta walk it out the bible way
The Bible way
You gotta live it the way the bible say
The Bible way
You gotta live it the bible way
The Bible way
thereâ€™s only one way
The Bible way
and itâ€™s the way of holiness
The Bible way

And itâ€™s the way of righteousness
The Bible way
thereâ€™s no other way
The Bible way

I know sinful way
seem right
seem right
seem right
sometime life
seem right
and fornication
seem right
A proud look
seem right
lust of the eyes
seem right
lust of the flesh

seem right
pride of life
seem right
un forgiveness
seem right
jealousy
seem right
it seem right
seem right
a little sin

seem right
every now and then
seem right
seem all right
seem right
but itâ€™s not right
seem right

In Godâ€™s eyes
seem right...
we gotta do it the
The Bible way
we gotta do it the bible way
The Bible way
we gotta live the way the bible say live
The Bible way
we gotta walk the way the bible say
The Bible way
there is no other way
The Bible way
you canâ€™t get in no other way
The Bible way
you see God got his own way
The Bible way
he already wrote it in the word
The Bible way
and itâ€™s the Bible way
The Bible way
No other way
The Bible way
thereâ€™s no other way
The Bible way
gotta do it gotta do it gotta do it
The Bible way
Oh, the only way
the only way to the kingdom
i come to tell you that thereâ€™s no other way
the only way to the kingdom
the only way to get in
the only way to the kingdom
We gotta do it
The Bible way..
