

# It Wouldn't Have Made Any Difference (Live 1971)

## Todd Rundgren

Do you remember the last time I said  
If I ever thought about lying,  
I'd rather think of dying instead  
And maybe you remember the last time you called me  
To say we were through  
How it took a million tears  
Just to prove they all were for you  
But those days are through 'Cause it wouldn't have made any difference,  
If you loved me  
How could you love me  
When it wouldn't really make any difference,  
If you really loved me  
You just didn't love me 'Cause I know of hundreds of times I could be  
In the most unfaithful arms that you always picture me  
And maybe you remember that  
Though I can't always show proof I was true  
No one else could change my mind or  
Stop me coming home to you  
But those days are through You just did not love me enough to believe me  
Enough not to leave me  
Enough not to look for a reason to be unhappy with me  
And make me regret ever wanting you  
But those days are through
