

# Tell Me What We're Gonna Do Now

Joss Stone

Yes, we have arrived, Joss Stone, Common  
It's for the world And you don't have to make your mind up  
I just wanna take my time with you  
If that's alright, it's alright  
Oh forgive me if I get too shy but  
Maybe you're the reason why, love  
I'm feelin' butterflies Somethin' 'bout the look in your eyes, ooh  
Ooh, it just makes me feel so right, oh When my mind's void, you're my joy  
You're the dream when I sleep  
Hey I'm for ya yeah I adore ya  
You're everything that I need I love how you love me  
If I'm made for you you're made for me  
It's too good to be, tell me what we're gonna do now  
Yeah, tell me what we're gonna do now, yeah, yeah Funny how my world keeps spinnin'  
Sometimes you can be so silly  
You know just how to make me laugh  
Ooh, your skin is so lovely  
It moves me when you touch me  
I know that you got my back Oh, it feels so safe when you hold me  
It's already like you know me, oh When my mind's void, you're my joy  
You're the dream when I sleep  
hey I'm for ya yeah, I adore ya  
You're everything that I need I love how you love me  
If I'm made for you you're made for me  
It's too good to be true  
So tell me what we're gonna do now, oh right now See baby I love how you make me smile  
Don't leave please stay awhile  
Let's make this happen, I don't care how Right now let's stay in the present  
Can't worry 'bout tomorrow 'cause today is a blessin'  
The world in a state of aggression  
I find calm in you, I see my mom in you  
It's like a feelin' in ya stomach when you want it so bad If we keep keeping it fresh it ain't gonna go bad  
I've been through the valley of love  
Rode through the shores of Cali  
Just to find peace of mind Looking to the sky asking for at least a sign  
Beautiful you came at such a decent time  
When we combine it's like good food and wine  
Flavorful yet refined, you remind me of the divine So easy, love can be lost and then found, like Stevie  
I just love having you around, you wearing the gown

I'm wearing the crown, pound for pound  
We the freshest couple in town When my mind's void, you're my joy, you're my dream  
Hey I'm for ya yeah I adore ya  
You're everything that I need  
And I love how you love me baby, oh  
I'm made for you oh, you're made for me, oh Ooh, tell me what we're gonna do  
Tell me what we're gonna do now  
Ooh, tell me what we're gonna do now  
Yeah, tell me what we're gonna do
