Oh, boy, yeah
I like this, yeah, yeah
Come on baby, yeah
Yeah, you're so sexy, yeah
Come on baby, yeahHey shawty, what it do, you look like you need someone to
Help you get a lil' comfortable
And I would like to get a lil' more acquainted
I can make you famous, what's your name missI can't keep my eyes off you, you're so beautiful
You can be a model, you're very extraordinary and
I need an all-star for my team and you can try out for me, shawtyShawty you just gotta be about the sexiest girl in the whole world
You got that booty and those hips, sexy eyes, perfect lips, so sexy
The sexiest girl in the worldHey baby from head to toe, your hair, your clothes so crazy
Your vibe, your walk, the way you talk everything
I'll buy whatever you're sellin', believe in whatever you're tellin
I'm starin' and you feel it, girlI can't keep my eyes off you, you're so beautiful, yeah
You can be a model, you're very extraordinary
Come be the all-star on my team, you can try out for meShawty you just gotta be about the sexiest girl in the whole world
You got that booty and those hips, sexy eyes, perfect lips, so sexy
The sexiest girl in the worldMegan, Hallie, Ciara, Gaby, Jada, Janet, Amerie, what's happenin'?
Listen yeah ain't nothing against all of y'all
But it would be a real close call if, if I had to choose which one
You'd be the one I would wantShawty you just gotta be about the sexiest girl in the whole world
You got that booty and those hips, sexy eyes, perfect lips, so sexy
The sexiest girl in the worldShawty you just gotta be about the sexiest girl in the whole world
You got that booty and those hips, sexy eyes, perfect lips, so sexy
The sexiest girl in the worldOh boy

The sexiest girl in the world
So sexy
