Doncha Wanna

Tinted Windows

Doncha wanna
Don't-doncha wanna
Don't-doncha wanna
Yeah you know you doDoncha wanna
Don't-doncha wanna
Don't-doncha wanna
Yeah you know you doYou're taking your time
You know I don't mind at all
You give me a smile
Wontcha give me a callDeep in the night
When you're climbing up the walls
You know what it's like
Whatcha waiting for?Doncha wanna
Don't-doncha wanna
Don't-doncha wanna
Yeah you know you doDoncha wanna
Don't-doncha wanna
Don't-doncha wanna
Yeah you know you doI look in your eyes
And there's so much I need to know
What are you like
When you're on your own?I feel so alive
Every time that you come close
It just isn't right
That you're all aloneCome on no whatcha got to prove
Come on now whatcha got to lose
Come on now can't ya feel it too?Doncha wanna
Don't-doncha wanna
Don't-doncha wanna
Yeah you know you do
