Apocalypse Now

Best TV and Movie Themes

I'm gonna be straight with you
This is the end of the world
You either wake up or you don't
Apocalypse nowApocalypse now, apocalypse now, apocalypse now
Apocalypse now, apocalypse now, apocalypse nowAir force bomber, come with the quickness
Chemical warfare, a bucket of sickness
Annihilation, written thesis
Bomb and leashes, shrapnel piecesPolitical dynasty, vigorous lies
Multi-dead, on the rise
Realize, the demise
It's all over, no surpriseApocalypse now, apocalypse now, apocalypse now
Apocalypse now, apocalypse now, apocalypse nowChilling with pipe bombs and fun in the sun
Ain't no, Saving Private Ryan but I've taken his guns
'Cause there's a war outside and it's far from bein' done
I only speak for myself I know, I'm not the only oneFuckers got us with the planes, set us back on 911
Families endure the pain, got a twisted view of Heaven
Need a rabbi or a reverend, I just follow the ghost
I keep an extra 4 pounds, right up under my coatApocalypse now, apocalypse now, apocalypse now
Apocalypse now, apocalypse now, apocalypse nowCruise missiles are soarin'
Helicopters are whirlin'
Crusty cops are firin'
Bomb shelters are sirenSoldiers are crawlin'
Politicians stallin'
Insurgents prawlin'
Casualties are risin'Life is a nightmare, I dream it all day
Nothin' as a promise, no, I won't hold I breath
Still talkin' to death, still chokin' the rest
Don't know when no one can be trusted, only once for the leftSteppin' out I'm in the dark, you wanna keep me in the cold
Rippin' out ain't that your heart, I'm-a causin' to explode
'Cause you're screwin' money, law mother fucker '95
You don't know me keep on movin', I'm just tryin' to stay aliveApocalypse now, apocalypse now, apocalypse now
Apocalypse now, apocalypse now, apocalypse now
