Wilco

Charlie had a plenty good band but he couldn't understand why no

A world record players on a tour of Japan, Charlie fixing his van with the
Left arm tan
He said
Monday, I'm all high, get me out of FLA
In school, yeah, I fooled ya, now I know I made a mistake
Blister on a turnpike, let me by, I only wanna wonder
why when I don't die
Ew, I shot ya, yeah, I know, I only wanna go where my wheels roll
Monday, I'm all high, get me out of FLA
I fooled ya, in school yeah, now I know I made a mistake
Everybody's wondering, "where he'd go?" He must be down in Pensacola
Hiding from the snow
The world record players on a tour of Japan, Charlie's fixing his van,
He's waiting for a postcard
And he said
Monday, I'm all high, get me out of TLA
Well, I cut class, in school yeah, now I know I made a mistake
I made a big mistake
Alright
