

Anthem Part 2

Blink 182

Everything has fallen to pieces
Earth is dyin', help me Jesus
We need guidance, we've been misled
Young and hostile but not stupid Corporate leaders, politicians
Kids can't vote, adults elect them
Laws that rule the school and workplace
Signs that caution, sixteen's unsafe We really need to see this through
We never wanted to be abused
We'll never give up, it's no use
If we're fucked up, you're to blame Let this train wreck burn more slowly
Kids are victims in this story
Drown our youth with useless warnings
Teenage rules, they're fucked and boring We really need to see this through
We never wanted to be abused
We'll never give up, it's no use
If we're fucked up, you're to blame Everything has fallen to pieces
Everything has fallen to pieces
Everything has fallen to pieces
Everything has fallen to We really need to see this through
We never wanted to be abused
We'll never give up, it's no use
If we're fucked up, you're to blame
