Everything Old Is New Again

Peter Allen

When trumpets were mellow
And every gal only had one fellow
No need to remember when
'Cause everything old is new againDancin' at your, Long Island, jazz age parties
Waiter bring us some more Baccardis
We'll order now, what they ordered then
'Cause everything old is new againGet out your white suit, your tap shoes and tails
Let's go backwards when forward fails
And movie stars you thought were long dead
Now are framed beside your bedDon't throw the past away
You might need it some rainy day
Dreams can come true again
When everything old is new againGet out your white suit, your tap shoes and tails
Put it on backwards when forward fails
Better leave Greta Garbo alone
Be a movie star on your ownAnd don't throw the past away
You might need it some other rainy day
Dreams can come true again
When everything old is new again
When everything old is new againI might fall in love with you again
