

Cherry chapstick (live)

Yo La Tengo

Someone else's date
In someone else's door
There's a girl with cherry Chapstick on and nothing more.
It's such a lurid pose
And she seems this close
But not to me
Clear as day
Crawling home at night
Wondering why the girls don't look at me when I walk by.
And the way they make me feel is way too real to believe
Wondering what it could be like if I could be that
smooth
I could think about all that I missed out
It's hard to do
Someone else's date
In someone else's door
There's a girl with cherry Chapstick on and nothing more
It's such a lurid pose
And she seems this close
But not to me
