

Can We Go Wrong

Hesta Prynn

Am I asking for too much from you?
Did you get too fond of me?
If we could have the conversation,
would you do it differently?

Can we go wrong? (x4)

Have I gotten too self-destructive?
Did you get the worst of me?
Did I met all your expectations?
Did I make you mad at me?

Can we go wrong? (x4)

When will we get it right?

Can we go wrong? (x4)
