Drop Top

Mercy Mercedes

Lets take a ride to Miami
no calling new york city
where its hot, hot and heavy
the highways ready for the drop top Mercedes
and we'll relive the 80sright on, right onthey say its cold where you're from
and i guess that's cold for some
but not me, not mejust wait a minute i gotta see
all the times we tried
but never could see
and it really had a hold on me(you got me)you got me crazy in love
but i swear its not enough
im in way over my head
but its you im dreaming of
you got me walking on wire
and it seems im gonna fall for you now
oh girl there's no doubt about itlets make a night to remember
well drive and slip surrenders
where arise and good nights
are all we ever hold on to
so thank you for, for goodness sake
cause we may make the same old mistakes
that we made(you got me)you got me crazy in love
but i swear its not enough
im in way over my head
but its you im dreaming of
you got me walking on wire
and it seems im gonna fall for you now
oh girl lets just sing about itna, na, na, na, na, na
na, na, na, na, na, nawell lets just sing about itna, na, na, na, na, na
na, na, na, na, na, nawe'll make no excuses girl
cause tonight, cause tonight
I've got you and we can get used to this
cause tonight, cause tonight im with you
i know you're thinkin the same thing to
cause we got what we always knewyou got me crazy in love
but i swear its not enough
im in way over my head
but its you im dreaming of
you got me walking on wire

and it seems im gonna fall for you now
oh girl there's no doubt about itcrazy in love
but i swear its not enough
im in way over my head
but its you im dreaming of
you got me walking on wire
and it seems im gonna fall for you now
oh girl lets just sing about itoh girl there's no doubt about it
