

I Still Haven't Found What I'm Looking For

[Cher](#)

I have climbed highest mountain
I have run through the fields
Only to be with you, only to be with you I have run, I have crawled
Well, I have scaled these city walls
These city walls only to be with you But I still haven't found what I'm looking for
But I still haven't found what I'm looking for Well, I have kissed honey lips
Felt the healing, fingertips
It burned like fire, this burning desire I have spoke tongue of angels
And I have held hand of the devil
It was warm in the night, I was cold as a stone But I still haven't found what I'm looking for
But I still haven't found what I'm looking for I believe in the kingdom come
When all the colors bleed into one
Bleed into one and yes, I'm still running You broke the bonds and you loosed the chains
Carried the cross of my shame
Of my shame and you know, I believed it But I still haven't found what I'm looking for
But I still haven't found what I'm looking for
But I still haven't found what I'm looking for
But I still haven't found what I'm looking for
What I'm looking for, what I'm looking for
What I'm looking for, what I'm looking for
