

Terrible Love (Birdy Cover)

The National

It's a terrible love that I'm walking with spiders
It's a terrible love that I'm walking in
It's a terrible love that I'm walking with spiders
It's a terrible love that I'm walking in
It's quiet company, it's quiet companyIt's a terrible love and I'm walking with spiders
It's a terrible love that I'm walking in
It's a terrible love and I'm walking with spiders
It's a terrible love that I'm walking in
It's quiet company, it's quiet company
It's quiet companyAnd I can't fall asleep
Without a little help
It takes awhile to settle down
My ship of hopes
Wait til the past?It takes an ocean not to break
It takes an ocean not to break
It takes an ocean not to break
It takes an ocean not to breakCompany
It's quite company
It's quiet companyBut I won't follow you into the rabbit hole
Last night I woke but then I saw
The ship of woes but didn't want me toIt's a terrible love and I'm walking with spiders
It's a terrible love that I'm walking in
It's a terrible love that I'm walking with spiders
It's a terrible love that I'm walking inIt takes an ocean not to break
It takes an ocean not to break
It takes an ocean not to break
