Solatrus

My Body My body ...
Hey .. Hey
oh ohh oh ohh
oh ohh oh ohh
My Body My Body...
Head Shoulders Knees Toes .. Hey
Head Shoulders Knees Toes .. Hey
Head Shoulders Knees Toes ....
From The Bottom To The Top Ohh
From The Bottom To The Top Of My Body
Shiftin through my clothes
Tryna pick what I'll put on tonight
Oh, tonight
Find somethin that'll make me
Feel like a lady
And I'm sure it's gonna catch your eye
Oh, and dont lie
From my,
Head, Shoulders, Knees, Toes
To my,
Head, Shoulders, Knees, Toes
My pretty body, body
You gon' want this pretty body, body
Tonight, tonight
Ain't it so funny what a breakup can do for you
Check out my body while I'm walkin to my new boo
Tonight, you gon' want this pretty body
You can kick back and just watch all night
I don't want your hello,
I don't need your goodbye
Just watch me,

The new girl is so not me
From my,
Head, Shoulders, Knees, Toes
To my,
Head, Shoulders, Knees, Toes
My pretty body, body
You gon' want this pretty body, body

Tonight, tonight
Ain't it so funny what a breakup can do for you
Check out my body while I'm walkin to my new boo
Tonight, you gon' want this pretty body
Look but don't touch, you can look but don't touch
My boyfriend's here, you can look but don't touch
You used to act as if you didn't want it
So I made the decision to move on
But just for the hell of it,
Let's send you a picture,
I'll write you a love note,
So you can remember, sayin
Lookie, lookie, look at me
Lookie, lookie, look at this
Look at what you coulda had
Look at what you'll neva get
Head, Shoulders, Knees, Toes
What you'll neva get
Head, Shoulders, Knees, Toes
Look at what you'll neva get
My pretty body, body
You gon' want this pretty body, body
Tonight, tonight
Ain't it so funny what a breakup can do for you
Check out my body while I'm walkin to my new boo
Tonight, you gon' want this pretty body
