

It's a Man's World

James Brown

This is a man's world, this is a man's world
But it wouldn't be nothing, nothing without a woman or a girl
You see, man made the cars to take us over the
road
Man made the trains to carry heavy loads
Man made electric light to take us out of the dark
Man made the boat for the water, like Noah made the ark
This is a man's, a man's, a man's world
But it wouldn't be nothing, nothing without a woman or a girl
Man thinks about a little baby girls and a baby
boys
Man makes them happy 'cause man makes them toys
And after man has made everything, everything he can
You know that man makes money to buy from other man
This is a man's world
But it wouldn't be nothing, nothing without a woman or a girl
He's lost in the wilderness
He's lost in bitterness
