I Am The Fire

Gus G.

Talk is cheap, it's everywhere and it's incomplete,
If you want the good shit come see me, money can't buy honesty. (Honestly!),Straight like source, uncut, untouched and pure,
You know I got what you're looking fo, and what I've got is worth so much more,It's out of your hands, it's out of your reach, if you can't understand, what I am!

I am not the smoke, I'm not the air that feeds, I'm not the heat that burns, I AM THE FIRE.I'm not the ash and bone, I'm not scar it leaves, I'm not the heat that burns, I AM THE FIRE.----------Watch yourself, you don't even know how bad it gets,
You haven't even seen the real world yet, you better off if you don't forget (so don't forget)You've got to watch your back, every choice, every chance you have,I'll be there keeping you on track, your best bet, remember that, remember that!It's out of your hands, it's out of your reach, if you can't understand, what I am!----------I am not the smoke, I'm not the air that feeds, I'm not the heat that burns, I AM THE FIRE.I'm not the ash and bone, I'm not scar it leaves, I'm not the heat that burns, I AM THE FIRE.----------I am not the smoke, I'm not the air that feeds, I'm not the heat that burns, I AM THE FIRE.I'm not the ash and bone, I'm not scar it leaves, I'm not the heat that burns, I AM THE FIRE.
