

# Kill myself

## Bubble Burst

Heart on fire, burning love  
These so wild and crazy times  
Love won't tear us apart  
Why I risk it all tonight  
If I could only control how I feel  
Pick myself through the thoughts I conceal  
Please don't misunderstand when I say  
I will kill myself if I had to to to  
'Cause I wanna waste my life on you  
I'm feeling more like dead when you're not close to me  
All the lonely nights we've been apart  
I've been dying from the broken heart  
I'm feeling more like dead when you're not close to me  
Stone cold days, darkest night  
Empty thoughts, fill me up  
I will try to stay alive  
One more day without you here  
If I could only survive without you  
There's nothing in this world that I couldn't do  
Please don't misunderstand me when I say  
I will kill myself if I had to to to  
'Cause I wanna waste my life on you  
I'm feeling more like dead when you're not close to me  
All the lonely nights we've been apart  
  
I've been dying from the broken heart  
I'm feeling more like dead when you're not close to me  
I would kill myself  
For you I would kill myself  
I would kill myself  
For you I would kill myself  
Oh oh oh oh, oh oh oh oh  
There's nothing that I wouldn't do  
Oh oh oh oh, oh oh oh oh  
I would kill myself for you  
Oh oh oh oh, oh oh oh oh  
There's nothing that I wouldn't do  
Oh oh oh oh, oh oh oh oh  
I would kill myself for you

I will kill myself if I had to to to  
'Cause I wanna waste my life on you  
I'm feeling more like dead when you're not close to me  
All the lonely nights we've been apart  
I've been dying from the broken heart  
I'm feeling more like dead when you're not close to me  
Oh oh oh oh, oh oh oh oh  
There's nothing that I wouldn't do  
Oh oh oh oh, oh oh oh oh  
I would kill myself for you
