# Perfect World

## Kodaline

Touch gloves, yeah, it'll be alright
I always knew you had a heavy heart
Brother, brother
You're taking me back to the startI saw your face in a photograph
Painting a picture of a better time
Brother, brother
You'll always be on my mindYeahIn a perfect world
In a perfect world
In a perfect, a perfect worldTouchdown to reality
It's not exactly what you had in mind, oh
Brother, brother
Was it only a matter of timeYeah, ohMaybe you've gotta let it be
Maybe time will tell, maybe you will see, oh
Brother, brother
You really shouldn't take it too hardOhIn a perfect world
In a perfect world
In a perfect world, singingOohIn a perfect world
In a perfect world
In a perfect, a perfect worldOohIn a perfect world
In a perfect world
In a perfect world, singingOohIt'll be okay (In a perfect world)
It wouldn't have to be this way (In a perfect world)
In a perfect, a perfect world
