

# Perfect World

## Kodamine

Touch gloves, yeah, it'll be alright  
I always knew you had a heavy heart  
Brother, brother  
You're taking me back to the start I saw your face in a photograph  
Painting a picture of a better time  
Brother, brother  
You'll always be on my mind Yeah In a perfect world  
In a perfect world  
In a perfect, a perfect world Touchdown to reality  
It's not exactly what you had in mind, oh  
Brother, brother  
Was it only a matter of time Yeah, oh Maybe you've gotta let it be  
Maybe time will tell, maybe you will see, oh  
Brother, brother  
You really shouldn't take it too hard Oh In a perfect world  
In a perfect world  
In a perfect world, singing Ooh In a perfect world  
In a perfect world  
In a perfect, a perfect world Ooh In a perfect world  
In a perfect world  
In a perfect world, singing Ooh It'll be okay (In a perfect world)  
It wouldn't have to be this way (In a perfect world)  
In a perfect, a perfect world
