

Cinderella

Firefall

Last December I met a girl
She took a likin' to me
Said she loved me
But she didn't know the meaning of the word
She imagined love to be grand
Me holdin' her hand and
Whisperin' sweet things and
Coo'in' softly like a song bird
Then one mornin' she came to me
With a tear in her eye
And a sigh on her breath
Lord, she said, "Hon I'm heavy with child"
I said, "God damn girl can't you see
That I'm breakin' my back
Just tryin' to keep my head above water
And it's turnin' me wild"
Cinderella, can't you see?
Don't want your company
You better leave this mornin', leave today
Take your love and your child away
No no no
No no no
Rockin' chair on the front porch
Well I'm thinkin' about all the things
That I did as a young man
Now that I'm old
I remember her and the boy
Did he have all the toys and the joys
That a young man should have
Before he gets too old
Cinderella, couldn't you see?
I didn't want your company
Should left that mornin', left that day
Took your love and your child away
