Tonight Let's Dance

Elefant

She was wearing her favorite dress
She was waving a blue handkerchief
She was laughing aloud in the corner of the room
But she was dancing alone
So I walked up to her
Grabbed her arms to show the world
Tonight we'll dance like we're in love
Tonight we'll dance like we're in love
She was standing beneath the chandelier
I offered her chocolate and some beer
She said, "No, I said, "Why" she said, "No, I said, "Why"
And stayed dancing alone

So I walked up to her
Grabbed her arms to show the world
Tonight we'll dance like we're in love
Tonight we'll dance like we're in love
I look down on her, she looks up at me
All I want is all her love, all I want is all her love
Tonight we'll dance
Tonight we'll dance
Tonight we'll dance
All night long like we were in love
