

# Rescue Me

## Rogue Traders

Since you've gone  
I just can't get to sleep  
Lying awake, lying awake  
Lying awake all alone Do you know I care?  
If you saw me would you know?  
Do you know I care  
About you still? Please rescue me  
Tonight I am calling  
Dangerously, I might  
Keep on falling So you win  
My life is upside down  
Love me again, love me again  
Love me again forever Do you know I care?  
If you saw me would you know?  
Do you know I care  
About you still? Please rescue me  
Tonight I am calling  
Dangerously, I might  
Keep on falling Feel your love inside of me  
Common sense has made me see  
That you are the only one  
In this world to show me love  
To show me love Rescue me  
Tonight I am calling  
Dangerously, I might  
Keep on falling Rescue me  
Tonight I am calling  
Dangerously, I might  
Keep on falling
